

TEXAS DEAFBLIND PROJECT

## Scaffolding Steps Routine Template

Student: \_\_\_\_\_

Routine: \_\_\_\_\_

| Activities | Scaffolding Steps | Phrasing to Use |
|------------|-------------------|-----------------|
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |
|            |                   |                 |

Attempt number 1 first, if unsuccessful after wait time, attempt number 2 and continue until student is successful. Sign the words in parentheses and verbalize the words in the quotations.
